**A. READING & VOCABULARY :**

*Read the following text carefully then do the exercises below.*

*Dear Glenn,*

*My name is Maria May. I am a girl aged sixteen from Malaysia. I am the only girl in a family of four. I've three younger brothers. My father is a farmer (actually we all live on a farm) and my mom is a teacher. She teaches tenth graders at the school I go to.*

*Just like you, I love reading, especially novels. It is no wonder that I was chosen librarian last week! I have a big collection of novels of all kinds! Which ones are your favourite?*

*I am also a music lover. I spend most of my afternoon days listening to music. I've actually made a couple of songs of my own! Do you like singing as well?*

*I am so glad to add you to my pen-pal friends. I love writing letters too. I already have six pen-pals! You are going to be my seventh! I really can't wait to get a letter from you!*

*Please write and tell me about yourself and your country. If possible, include some information on some of the colleges you have there, and if they admit foreign students.*

*I hope to hear from you soon.*

*Sincerely,*

*Maria*
